The 18-hole Championship Golf Course, with wide fairways and huge greens, is laid out over a rugged terrain running along the Indian Ocean creating a dramatic and a daunting golfing experience. This exciting course is played over hills, ravines, rivers, dams, lakes and waterfalls, and has breathtaking views.

Although quite short in length, it is one of South Africa's most testing layouts, especially with the strong prevailing winds that the Wild Coast region is famous for. This adds an entirely different dimension to the course.

Wild Coast Sun invites you to play on their stunning course in the annual Wild Coast Interclub.
