Guests will arrive at King Shaka international Airport, collected and transferred to the Wild Coast Sun Hotel.

The Wild Coast

The Wild Coast extends for over 200 kilometres along one of South Africa's most pristine, wild and beautiful sections of shoreline, taking in remote beaches, undulating emerald hills and isolated coves along the way. Those who love peace, quiet and the Great Outdoors would be hard pressed to find a better holiday destination than this scenic wilderness, while it also provides plenty of activities to keep the active and adventurous amused, including fishing, diving, swimming and hiking.

Overnight: Wild Coast Sun

Set on the rugged, beautiful and unspoiled beaches of the South Coast in the Eastern Cape, the Wild Coast Sun Resort and Casino is a popular Sun International destination offering exceptional Wild Coast accommodation. Visitors are attracted to the Wild Coast Sun, not only for its natural splendour, but also for the fabulous facilities and world-class golf course that can be found at the venue.

For an exclusive coastal retreat, surrounded by nature and in close proximity to amenities and activities, the stunning Wild Coast Sun accommodation is a popular choice. The Wild Coast Sun has 396 recently refurbished rooms.

Activities

Wild Coast Sun Golf Course. Final Round (Tee off from 07h00)
Prize giving & Barbeque lunch

Wild Coast Sun Golf Course

A first glance at the score card might suggest that this course is a bit of a push-over - less than 6 000 metres in length with six par threes. At face value this might seem so but in reality the Wild Coast Sun Country Club is one of South Africa's most testing layouts. Indeed renowned American golf course architect, Robert Trent Jones Jnr has created a dramatic golfing experience overlooking the Ocean.

Possibly the greatest challenge is to conquer the prevailing winds which add an entirely new dimension to the course. Some of South Africa's finest and certainly most dramatic golf holes can be found here. The thirteenth, a par 3 played across a waterfall is generally regarded the best short hole in the country.

Dinner

A buffet dinner will be held at the Wild Coast Sun

Day 5: Fairmont Zimbali Resort, Durban (Tue, 5 September)

Durban

With its beautiful beaches, lively wining and dining scene, and rich cultural heritage, Durban is KwaZulu Natal's tourist hub. The swimming and surfing is rated the best of any major city across the world and because of the sub-tropical climate the water is warm all year round. Known as the Golden Mile, this stretch of beaches and amusement parks is Durban's major attraction with the recently developed UShaka Marine World at the southern end providing a world class aquarium and other entertainments.

Overnight: Fairmont Zimbali Resort [View iBrochure](#)

An unspoiled shoreline, rolling hills and lush flora have come to define the Zimbali Coastal Resort region. Set along South Africa's sublime east coast, nestled between a forest reserve and a shimmering sea, the resort's exquisite natural beauty is dotted with pockets of urban flair and enhanced by the rich Zulu heritage of the KwaZulu-Natal province.

Part cultural wonderland, the region boasts thousand-year-old battlefields and renowned eco-parks; part natural playground, it offers unique game-viewing and safari opportunities. Activities

Zimbali Golf Course

Zimbali Golf Course

Offering irresistible ocean and forest views, exceptional water and wetland features and an inspiring natural setting, Zimbali Country Club has developed the reputation of a memorable course with charisma and challenge.

With the brief of "conservation takes precedence" international golf course designer and former British and South African PGA champion, Tom Weiskopf, had to integrate a "cart only" course into a property with dramatic elevation changes, varying eco-systems and substantial residential sections. This was no easy task, but the end result is a prestigious course that is ecologically sound, yet it maximizes the natural landscape. Having been described as "an enthralling journey through 18 holes", the changing terrain stretches the skill yet captivates its participating golfers. With the Weiskopf philosophy of "presenting a fair challenge to any level of play" the essence of this course is that it will reward the good shot and punish the bad.
